- **Technologies:** [Angular](#), [Typescript](#), [TailwindCSS](#), [Express.js](#), [MongoDB](#).
- **Links:** [Demo](#) / [Source Code](#).

DanceGuide Fullstack Web Application

- **Technologies :** [React](#), [HTML](#), [CSS](#), [Express.js](#), [MongoDB](#).
- **Additional Libraries:** [React Hook Form](#), [ChakraUI](#), [Cloudinary](#) (Media file hosting).
- **Links :** [Demo](#) / [Source Code](#).

Fitness Landing Page

- **Technologies:** [React](#) & [TailwindCSS](#).
- **Links:** [Demo](#) / [Source Code](#).

Lavacoder Portfolio

- **Technologies:** [VanillaJS](#), [HTML](#), [CSS](#).
- **Links:** [Demo](#) / [Source Code](#).

Todo Application

- **Technologies:** [React](#), [Typescript](#), [Redux](#), [HTML](#), [CSS](#).
- **Links:** [Demo](#) / [Source Code](#).

EDUCATION

JavaScript Fullstack Developer

SoftUni Software University

What I've learned:

- Full Stack Web Development.
- JavaScript Advanced Techniques (building SPA with [VanillaJS](#)).
- Building APIs with [Express.js](#).
- NoSQL Databases ([MongoDB](#)).

EXPERIENCE

Community Moderator

SoftUni Discord Community

02/2022 - Present

Discord community for students.

Achievements:

- Successfully **organized a series of web development events** that attracted a significant number of participants and received positive feedback from attendees.
- **Led exam preparation sessions** that helped students feel more confident and well-prepared for their exams.
- **Managed the SoftUni Discord community**, resolving conflicts, and promoting a positive and inclusive environment.

TECHNICAL SKILLS

Programming Languages

JavaScript, TypeScript

Frameworks
